

EAST RIDING STAGES RALLY 2024

Competitor Bulletin Number 1

Issued on 22 January 2024 at 19:00

Dear Competitor,

Road Section Insurance

Unfortunately, we have been forced to change the company which supplies us with Road Section Insurance. When the regulations were published we stated this would be Bluefin/Marsh, however they have declined to provide us with insurance. We have therefore sought alternative cover, and this will now be provided by REIS Motorsport Insurance. We are very grateful to REIS for stepping in with very little notice to provide us with this cover.

The good news is that the premium remains the same at £29, and the conditions are very similar. We will publish the Insurance Documentation on the Notice Board, and we need all competitors who have paid for this insurance to confirm that they can still comply with the requirements.

If anyone is in any doubt, please contact the Entries Secretary on ersr@bdmc.org.uk

Matthew Atkinson – Clerk of the Course
