

Competitor Bulletin Number 1

Issued on 1 January 2025 at 19:00

Dear Competitor,

Changes to the Regulations

Since the publication of the Regulations on 25 December 2024 we have made some changes which have been incorporated into those Regulations however, in order to highlight the changes made, this Bulletin details them below:

3. Authorisations

We have been invited to be a round of these additional championships:

ANWCC Stage Rally Championship, and the;

SD34 Stage Rally Championship

6. Competitor Eligibility

The following Association has been added:

Association of North-Western Car Clubs (ANWCC)

We forgot to add this Association that the Club has recently joined.

We have correctly titled ANEMMC as **Association of North East Midland Motor Clubs**

14. Officials of the Event

The title "**Clerk of Course (Route) – Jon Binns**" is amended to:

Route Director & Deputy Clerk of Course – Jon Binns

Motorsport UK has indicated that it believes the NCRs prevent multiple individuals from holding the role of Clerk of the Course and so has required us to change Jon's title. Jon will however remain in control of all aspects of the Route of the event.

Version 2 of the Regulations (published 1 January 2025) are available on the Beverley & District Motor Club website at www.bdmc.org.uk/competitors

Matthew Atkinson – Clerk of the Course
