2025 Spectator Guide

Welcome to the 2025 East Riding Stages Rally

The East Riding Stages Rally will be centred on the market town of Beverley in the East Riding. There will be five stages run twice, and the competitive action will be book-ended with a Ceremonial Start and Finish in Beverley Saturday Market.

Watching a live motor sport event is a thrilling experience and one of the best ways for fans to get close to the action, experiencing the sport's sights, sounds and smells first-hand.

2025 Spectator Guide

Never Risk Your Own Safety!

Motorsport UK, event organisers and venues strive to keep spectators safe but ultimately all spectators are responsible for their own personal safety.

Rallying is potentially very dangerous and we appeal to everyone to stay alert and follow the marshals instructions. If they ask you to move please do so as it's for your own safety. Please remember if the organisers deem a stage to be unsafe they will cancel it – don't be the one who causes it to be cancelled!

We encourage everyone to join us at the free Spectator Superspecial stage taking place on Beverley Westwood, which will be the safest place to spectate.

We ask rally spectators heading to watch on the other stages to please obey any instructions given by the or officials.

Safety Information

As with any rally, it is very important that viewing points are chosen carefully to maximise safety.

Under no circumstances may anyone stand in front of, beside, within or immediately behind any area marked with red and white tape and/or "Prohibited Area" signs.

Spectators may enter a stage on foot until 45 minutes before the "First Competitor Due" time. Spectators must be off the stage and standing in a suitable place no later than 30 minutes before the "First Competitor Due" time.

This is shortly prior to the passage of the Motorsport UK Safety Delegate who will expect to see all spectators standing in a suitable position. If the Safety Delegate does not consider the stage to be sufficiently safe, then the stage will not be allowed to start.

If you do not abide by the instructions of marshals and event officials, the stage may be stopped or cancelled.

This continues to be in force until the passage of the Road Opening Cars after the rally has passed through.

About our Event

The Best Riding Moped Rally will start and finish from Beverley Leisure Centre on Sunday 22 February 2021.

Rally riders from across the UK will bring their specially prepared three-wheeled mopeds to compete on closed roads in the northern area of east of the Humber - British Rally Championships.

The Rally will have 10 competitive speed stages, held by 10 non-competitive riders on the roads between times.

The Rally is authorised by the governing body of motorsport in the UK, Motorsport UK, and has been organised in close liaison with the local police, emergency services, local business and Best Riding of Yorkshire Council.

Some roads will be closed during the Rally and we appreciate that this may cause an impact on residents during the event.

The good news is that the road closures will only be in place for one day, Sunday 22 February.

The organisers, Beverley & District Motor Club, and our competition, are very grateful to all the residents of Beverley and the Best Riding and our hope that you enjoy the spectacle of the closed road rally.

Join the Club & Get Involved

Beverley & District Motor Club is an inclusive organisation that welcomes anyone who would like to get involved in motorsport.

Come along to a club night on Thursday of the Bay House in Camp Barbery or visit bdc.org.uk

Positive About Motorsport

We recognise that the rally has an environmental impact, so we will offset the stages this year following the rally, reduce our sprague consumption, and offset our own and our carbon emissions from fuel via www.carbonpositive-motorsport.com

Safety Guidelines

Marshals will warn of approaching cars by use of a whistle, please take this as a final signal to ensure you are standing in a safe place and concentrating on the action.

Please make sure you dress suitably for the prevailing weather conditions, and stout footwear is strongly recommended.

Children and infants should **ALWAYS** be accompanied by an adequate amount of adults at all times who are responsible for their behaviour and safety.

Beware of flying stones and uneven or slippery surfaces.

Stay above the stage (never below).

Do not stand in the straight-on position – you will be told to move.

Respect the signs and the tape; Yellow and Black is GOOD – i.e. it is ok to stand behind this tape. Red and White is bad, this is a NO GO area. Prohibited area MEANS prohibited area.

Please be considerate to other spectators to ensure everyone can enjoy the event.

Listen to the marshals – they are there to help you and ensure the event runs within the safety guidelines prescribed by Motorsport UK, the governing body of UK Motor Sport. Marshals and officials have the right to work without being abused or threatened.

Consider your own safety and that of others at all time.

Please take all litter home with you.

Always keep your own safety in mind:

- Park in a safe place
- Follow marshals' instructions
- Observe and obey all event signs
- Stay within official spectator areas
- Do not enter any prohibited areas
- Keep off the road or track
- Listen to official announcements
- Expect the unexpected

On rallies please remember:

- Cars may run wide on corners
- Cars may cut corners
- Cars may throw up stones
- Cars may overshoot junctions
- Cars may leave the road

All spectators are reminded that motorsport can be dangerous and despite us taking all reasonable precautions, unavoidable accidents can happen. In respect of these, you are present at your own risk.

Have a safe and enjoyable day.
