

Competitor Bulletin Number 2

Issued on 4 February 2025 at 19:00hrs

Dear Competitor,

Motorsport UK have requested that we obtain a National Permit for the event specifically for competitors in the Probite British Rally Championship. This permit has now been issued, and this means some minor Regulation changes. Note that this will not affect the event in any meaningful way. The BRC competitors will be mixed in with all the other competitors during the event, and we will still produce just one set of results for all competitors. All it really means is that you'll see an extra Permit number when you sign on.

So these are the paragraphs which need to change:-

1. Announcement

Beverley and District Motor Club will organise an Interclub and National Permit Closed Road Special Stage Rally on Sunday 23rd February 2025. The event will be known as the **East Riding Stages Rally**.

3. Authorisations

Motorsport UK Interclub Permit Number: 2024/03

Motorsport UK National Permit Number: 202013

6. Competitor Eligibility

Competitors in the Probite British Rally Championship are eligible to compete in the National Permit of the event. For other competitors, the eligibility remains as written in the Regulations.

Instead of uploading a club card in the entry system, competitors in the BRC must upload their BRC registration. In addition, all these competitors must hold a competition licence of at least National grade.

All other competitors should follow instructions previously issued and may continue to use an Interclub licence.
